Aqueducts, Culverts, and Tunnels under Canals to be kept thoroughly cleansed.

XLII. 'And whereas many Aqueducts, Culverts, and Tunnels under Canals in *Ireland* are, either by 'reason of their original Construction, or from Neglect to cleanse and scour the same, insufficient to 'discharge the Flood Waters of the Streams or Drains upon which they are constructed at a sufficiently 'low Level for the Purposes of draining the Lands lying above such Aqueducts, Culverts, and Tunnels, 'whereby much Injury is done and Improvement prevented in such Lands, and it is expedient, just, and 'right to provide Means whereby such Evil may be prevented;' be it therefore enacted, That in all Cases when such Insufficiency as aforesaid is caused by reason of Neglect to scour or cleanse, or by the Accumulation of Matter in such Aqueducts, Culverts, or Tunnels as aforesaid, the Canal Company to whom such Aqueducts, Culverts, or Tunnels belong, after Fourteen Days Notice in that Behalf served upon the Secretary, Treasurer, or known Engineer of such Company, shall cause, and they are hereby required to cause, such Aqueducts, Culverts, or Tunnels to be thoroughly scoured and cleansed out, and all such accumulated Matter to be removed; and in case any such Company shall neglect, for the Space of Ten Days after the Expiration of said Fourteen Days, or refuse, to cleanse, scour out, or remove such accumulated Matter, it shall be lawful for the Magistrates at Petty Sessions for the District in which such Aqueduct, Culvert, or Tunnel shall be situate, upon the Complaint of the Party or Parties injured, to summon before them the said Canal Company, and such other Person or Persons as to such Justices may seem fit, and to hear and investigate the Matter of such Complaint, and determine the same, and, in case the said Justices shall deem the said Complaint to be well founded, to order and direct any Person or Persons, to be named in and by a Warrant to be by them issued in that Behalf under their Hands and Seals, to enter upon, cleanse, scour out, and remove such accumulated Matter from such Aqueduct, Culvert, or Tunnel; and the Cost and Expence of so doing, and all Expences incidental thereto, shall and may be recovered from such Canal Company by Civil Bill; and in all Cases where such Insufficiency as aforesaid shall be caused by reason of the original Construction of such Aqueduct, Culvert, or Tunnel, and the Canal Company to which the same shall belong shall neglect, for the Space of One Month after the Expiration of Fourteen Days from the Service of a Notice in that Behalf, or refuse, to enter into an Agreement for the effectual Alteration of such Aqueduct, Culvert, or Tunnel, so as to make them in every respect sufficient for the Discharge of Flood Waters at so low a Level as will not be injurious to such Lands as aforesaid, it shall be lawful for any Proprietor or Proprietors of such Lands to apply by Memorial to the Lord Lieutenant or other Chief Governor or Governors of *Ireland*, stating the Nature of the Case, and praying that Relief may be afforded, and undertaking to pay such Portion of the Costs of altering such Aqueduct, Culvert, or Tunnel as, under the Provision herein contained, he or they shall be deemed liable to pay; and it shall be lawful for the Lord Lieutenant or other Chief Governor or Governors of *Ireland* to direct that the Commissioners for the Execution of this Act shall cause such Aqueduct, Culvert, or Tunnel to be altered in such Manner as to them shall seem sufficient for the free Discharge of the Flood Waters at so low a Level as will prevent Injury to the Lands above them, and, for the Purpose of executing such Works, to apply any Funds which may be at their Disposal for the Time being under the Provisions of the said recited Acts or this Act; and the Costs and Expences of making such Alteration, with all Expences incidental thereto, shall be recovered by the said Commissioners in equal Moieties from the Company to which such Aqueduct, Culvert, or Tunnel shall belong, and from the Proprietor or Proprietors of such Lands as aforesaid, by Civil Bill in the County where such Lands shall be situate, or by Action or Suit in any of the Superior Courts in *Dublin*; and Service of such Notice, Summons, or Civil Bill at the Office of such Company in *Dublin*, or on any known Agent or Officer of such Company in the County where any Lands the Subject of such Complaint are situate, shall be deemed good Service of the same on the said Company.

XLIII. 'And whereas it is expedient to allow Proprietors of Land, when unanimous, to execute 'certain Works instead of the Commissioners;' be it enacted, That in any Case in which all the Proprietors of any Lands proposed to be drained shall unanimously apply by Memorial to the said Commissioners pursuant to the Provisions of the said recited Acts or of this Act, and shall, together with such

and in case all such Proprietors and Occupiers shall thereupon unanimously assent in Writing to the Execution of the proposed Work, and the Declaration and all other Proceedings thereon shall have been made and concluded, and the final Notice shall be given, pursuant to the Provisions of the said recited Acts and of this Act respectively, it shall be lawful for all the said Proprietors, or for any One or more of them, having first obtained the Consent in Writing of all the others in that Behalf, to undertake the Execution of the said Work, and to make and complete the same out of his or their own proper Funds, according to and in conformity with the Plans, Sections, and Specifications so approved of by the said Commissioners; and when all such Works shall have been fully executed and completed to the Satisfaction of the said Commissioners, in conformity with the said Plans, Sections, and Specifications, it shall be lawful for the said Commissioners to draw up and make their Award in like Manner as if the said Works had been executed by the said Commissioners under the said recited Acts and this Act; and all the Provisions of the said recited Acts and of this Act, in relation to an Award to be made in Cases where the said Commissioners shall have caused any Work to be executed, shall apply to such last-mentioned Award, so far as the same may be applicable thereto; and the respective Sums of Money which by such Award shall be specified as the Proportions or Contributions payable in respect of the several Parcels or Portions of the Land drained or improved by Drainage, or by any Works executed in the Manner last aforesaid, conformable to the said Plans, Estimates, and Specifications, and not exceeding the Sum mentioned in such Estimates, or such further Sum or Sums as the said Commissioners shall direct or approve of, in or about such Drainage or Improvements as aforesaid, with Interest for such respective Sums, at a Rate not exceeding Five Pounds *per Centum per Annum*, to be specified in such Award, to be payable and computed from the Time or Times for that Purpose to be specified therein, shall be charged in favour of the Person or Persons who shall by such Award be declared entitled thereto, and shall be secured, recovered, and raised or levied, in like Manner, and with the like Remedies, and by the like Means and Proceedings, as are given or provided by the said Acts and this Act in relation to the charging, securing, recovering, raising, or levying of the respective Sums of Money to be specified in any Award to be made under the said recited Acts or this Act, and, when received, recovered, raised, or levied, shall, after deducting all such Costs and Charges of the said Commissioners as shall not be recovered from the Lands or Persons liable thereto, be paid to the Person or Persons entitled thereto, or to his or their Executors or Administrators, according to the Proportions specified in such Award: Provided also, that it shall be lawful for the Proprietor or Proprietors who shall so execute such Works pursuant to the Provisions last aforesaid, or his or their Executors or Administrators, to proceed in the Names of the Commissioners, or of the Secretary of the said Commissioners, but with the Consent of the Commissioners first to be obtained in Writing for that Purpose, and upon full Indemnity to them, and at the Costs of such Proprietor or Proprietors, or his or their Executors or Administrators, for Recovery of the several Sums to which he or they shall and may be entitled under such Award: Provided always, that in any Case or Cases wherein any Mill or Factory is to be altered, removed, or injuriously affected, or where any existing Navigation is to be affected or altered, or any new Navigation created, it shall not be lawful for any Person or Persons, save the said Commissioners, to make or execute any such Drainage as last aforesaid, or any Works for that Purpose, or any Part thereof, although all the Proprietors of the Lands to be drained or improved by such Works as last aforesaid shall have unanimously consented that the same shall be executed by them or One of them: Provided also, that no Portion of any Work or Works the Expences of making or executing whereof shall be charged upon or payable out of the Funds of any County or Counties, or be raised or levied by Presentment of any Grand Jury in *Ireland*, shall be made or executed by any such Proprietor or Proprietors under the Powers last aforesaid.

Provisions for summary Proceedings.

No Works shall be undertaken under following Provisions, unless Assents be obtained before 1st August 1847.

XLV. 'And whereas by reason of the Failure or Destruction of a Portion of the Potato Crop of the 'last Season in *Ireland* there is Reason to apprehend that in certain Districts great Distress may, during 'the ensuing Spring and Summer, prevail among the labouring Classes of the Population; and it is 'expedient, with a view to alleviate such Distress, by Provisions of a more summary Nature than 'herein-before contained, to give for Part of the present Year increased Facilities and Powers for com- 'mencing without Delay and carrying on various Works of Utility connected with the Drainage and Improve- 'ment of Lands in such Districts, whereby remunerative Employment may be afforded to the labouring 'Classes;' be it therefore enacted and declared, That the Provisions herein-after contained shall be called and deemed to be "Provisions for summary Proceedings" under this Act, and that no Work shall be undertaken or commenced under such Provisions for summary Proceedings as to the Execution of which Work the Assents of the Proprietors of Lands, as required by the Provisions of this Act herein-before contained, shall not have been given or obtained before the First Day of *August* in the Year One thousand eight hundred and forty-seven.

Any Proprietors of Lands may apply to the Commissioners to have such Lands drained or improved under this Act.

XLVI. And be it enacted, That for the Purpose of such summary Proceedings it shall be lawful for any Proprietor or Proprietors of any Land or Part of any Land liable to be flooded or injured by Water, or capable of being drained, or the Drainage whereof may be capable of being improved, to apply by Memorial to the said Commissioners, stating the Nature and Extent of such Land, and praying that the same may be drained, or the Drainage thereof may be improved, under the Provisions of this Act, and by such Memorial undertaking to pay to the said Commissioners the Costs and Expences of the preliminary Inquiries, under the Provisions for summary Proceedings under this Act, as to the Works for such Drainage or Improvement, in the event of such Works not being proceeded with by the said Commissioners.

The Commissioners may cause a preliminary Investigation to be made in a summary Way, and obtain a Report.

XLVII. And be it enacted, That for the Purpose of such summary Proceedings, when any such Memorial as last aforesaid shall be presented, or any Memorial for any such Purposes, under the said first-recited Act, shall, before the passing of this Act, have been presented to the said Commissioners, it shall be lawful for the said Commissioners to cause such preliminary Examination and Inquiry as they shall think fit to be made by some Engineer, Surveyor, or other competent Person, or to examine and adopt any Survey or Report which shall have been made, and cause to be ascertained in a summary Way the Extent of the Lands to be drained or improved, the probable Costs and Expences of such Drainage or Improvement, and the probable Benefit to result therefrom, together with the Names of the reputed Proprietors of the Lands to be so drained or improved; and if upon any such Report it shall appear to the Satisfaction of the said Commissioners that the Benefit to result from such Works would be commensurate with the Amount of the estimated Cost of the Works, and incidental Expences connected therewith, they shall cause a Copy or Copies of such Report, with their Opinion thereon, to be lodged at some Place in or near such Lands for public Inspection for the Space of Two Weeks, and cause Notice thereof, and of the Place or Places at which such Copy or Copies of such Report shall have been lodged, to be given in any Newspaper circulating in the County or Place in which such Lands shall be situate, and to be posted on the usual Places for posting Grand Jury Notices in or near the said Lands, and otherwise as they shall think fit.

A Copy of the Report of their Opinion thereon to be lodged for Inspection, and Notice thereof to be given.

XLVIII. And be it enacted, That in and by such Notice as last aforesaid all Proprietors (as defined under the said first-recited Act) of such Lands so to be drained or improved shall be called upon to furnish in Writing, either by themselves or their known Agents, to the said Commissioners at their Office in *Dublin*, or to some Person by the said Commissioners authorized, their Assent to or Dissent from the proposed Drainage or Improvement on or before a Day to be named in such Notice, not less than Three Weeks from the Day on which such Report shall have been lodged as aforesaid; and if before or at the Expiration of the said Period the said Commissioners shall ascertain that the Assent in Writing of the Proprietors (as defined in the said first-recited Act, with the Consent of the Tenants, if any, as by the said Act required in that Behalf,) of more than One Half in Extent of the Lands so to be drained or improved shall have been given to the said proposed Works, the said Commissioners, if they shall so think fit, shall cause to be published in the *Dublin Gazette*, and also in the Manner herein as to such Notice last aforesaid directed, a final Notice, stating that all the Preliminaries required by the Provisions for summary Proceedings under this Act have been complied with, which Proceedings shall be binding and conclusive upon all Parties and Persons whomsoever; and Proof of the Publication of such final Notice as aforesaid shall be sufficient Evidence that such final Notice was duly given, and that all the Requisitions of this Act in relation thereto were complied with: Provided always, that in any Case in which the said Commissioners shall be of opinion that such Period of Three Weeks last aforesaid limited for furnishing the Assents or Dissents of Parties as to any such Works is, under the particular Circumstances of such Case, insufficient, it shall be lawful for the said Commissioners, if they shall so think fit, to extend such Period for an additional Period of Two Weeks, so that such additional Period shall not in any Case extend beyond the First Day of *August* in the Year One thousand eight hundred and forty-seven.

The Commissioners of the Treasury may make temporary Advances to the Commissioners under this Act for the Expences of preliminary Inquiries, &c. under the Provisions for summary Proceedings.

LI. And be it enacted, That it shall be lawful for the Commissioners of Her Majesty's Treasury, or any Three or more of them, to cause to be issued as a temporary Advance, from Time to Time during the present Year, as they may find necessary, out of the growing Produce of the Consolidated Fund of the United Kingdom of *Great Britain* and *Ireland*, any Sum or Sums of Money not exceeding in the whole the Sum of Ten thousand Pounds, by way of Imprest, to the said Commissioners for the Execution of this Act, to be by them applied in providing for the Expences of procuring and prosecuting any such preliminary Examinations or Inquiries under the Provisions for summary Proceedings under this Act, and in procuring a sufficient Supply of Tools for executing any Works to be carried on under the last-mentioned Provisions; and in every such Case in which any Portion of such Monies so advanced and issued shall be so applied by the said Commissioners, such Sum of Money so applied in respect of any such Work shall be repaid to the Consolidated Fund by the said Commissioners, in such Manner as the Commissioners of Her Majesty's Treasury may direct, from and out of any Funds or Monies to be borrowed or raised by them for defraying the Costs, Charges, and Expences incurred or to be incurred in the Execution of such Work: Provided always, that in any Case where the Expences of any such preliminary Investigation and Inquiry as last aforesaid as to the Works for any proposed Drainage or Improvement shall have been defrayed out of the Monies so advanced and issued as last aforesaid by the Commissioners of Her Majesty's Treasury, and the Assents of the Proprietors as to such Works, as required by the Provisions for summary Proceedings under this Act, shall not have been obtained within the Time limited by the said Commissioners for that Purpose, the Amount of such Expences shall be paid to the said Commissioners for the Execution of this Act by the Person or Parties who shall have applied by Memorial in such Case, and by said last-mentioned Commissioners be paid over to the Consolidated Fund; and in default of Payment by such Person or Party who shall have applied by Memorial as aforesaid, the Amount of such Expences shall be recovered from such Person or Party in such Manner as by said first-recited Act is directed for the Recovery of unpaid Balances of preliminary Expences under the Provisions of said first-recited Act.

Alteration of Act.

LII. And be it enacted, That this Act may be amended or repealed by any Act to be passed in this present Session of Parliament.

CAP. V.

An Act to amend an Act for regulating the Construction and Use of Buildings in the Metropolis and its Neighbourhood. [24th *March* 1846.]

'WHEREAS an Act was passed in the Session of Parliament holden in the Seventh and Eighth 'Years of the Reign of Her present Majesty, intituled *An Act for regulating the Construction* 7 & 8 Vict. c. 84.
'*and the Use of Buildings in the Metropolis and its Neighbourhood*, whereby, amongst other Provisions, 'One of Her Majesty's Principal Secretaries of State was empowered to appoint Two Persons, being of 'the Profession of an Architect or Surveyor, to be Official Referees of Metropolitan Buildings for the 'Purposes of the said Act, and from Time to Time, as he should think proper, to remove such Official 'Referees, and in their Place to appoint other Persons so qualified; and the Commissioners of Her 'Majesty's Woods, Forests, Land Revenues, Works, and Buildings were authorized to appoint a 'Registrar of Metropolitan Buildings, who should hold his Office during the Pleasure of the said 'Commissioners; and it was enacted, that the Determination of such Two Official Referees, or of One 'of them with the Assent of the said Registrar, as to all or any Matters referred to them, should be 'binding on all Parties to such Reference, and that any Matter required or permitted to be done by the 'Official Referees might be done by either of them with the Assent of the said Registrar, unless express 'Provision to the contrary should be made, and if done by any one of them with such Assent should be 'as valid and effectual as if done by both of them; and by the said Act the said Official Referees were 'prohibited from acting as Surveyors, and every Person being or becoming Commissioner, Receiver, 'Steward, or Agent of any Owner of Houses within the Limits of the Act was disqualified from holding 'the Office either of Official Referee or of Registrar under the said Act: And whereas the Duties and 'Qualifications for Office of the Registrar of Metropolitan Buildings are of a Character wholly distinct 'from the Duties and Qualifications for Office of the Official Referees, and it would conduce to the 'more satisfactory Execution of the recited Act if there were Three Official Referees (all of them 'being of the Profession of a Surveyor or Architect), and the Acts and Awards of such Three Official 'Referees, or of any Two of them, were made as valid and binding as if the same had been done or 'made under the Authority of the recited Act by the Two Official Referees thereby authorized 'to be appointed, or by One of them with the Assent of the said Registrar; and for the Purpose 'of obtaining Persons duly qualified to discharge the Functions of Official Referees without Increase of 'Charge to the Public, or the Localities comprised within the Limits of the recited Act, it is expedient 'to relax in manner herein-after mentioned the Prohibitions and Disqualifications appertaining to the 'Office of Official Referees under the said recited Act:' Be it therefore enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, That it shall be lawful for One of Her Majesty's Principal Secretaries of State, and he is hereby empowered, at any Time after the passing of this Act, and from Time to Time, to appoint a Person, being of the Profession of an Architect or Surveyor, to be an Official Referee of Metropolitan Buildings, in addition to the Official Referees authorized to be appointed by the recited Act, and from Time to Time, as he shall think proper, to remove such additional Official Referee, and to appoint any other Person, qualified as aforesaid, in his Place; and every Official Referee to be appointed under the Authority of this Act shall make the same Declaration of official Fidelity, and have the same Duties, Powers, Authority, and Jurisdiction, and be subject to the same Rules and Regulations (save as herein-after varied or relaxed), as if the said recited Act had authorized the Appointment of Three Official Referees, and the Official Referee appointed under the Authority of this Act had been appointed Official Referee under the Authority of the recited Act.

Appointment of an additional Referee.

II. And be it enacted, That all Acts, Matters, and Things by the said recited Act required, directed, or permitted to be done by the Official Referees of Metropolitan Buildings, or by One of such Official Referees, with the Assent of the Registrar, may be done by the Official Referees appointed and to be appointed under the Authority of the recited Act and of this Act, or by any Two of them; and that the Acts, Certificates, Awards, Orders, and Determinations of any Two of the said Official Referees shall be as valid, binding, and effectual as if the same had been done, signed, made, or determined by all the said Official Referees; and the Assent of the said Registrar of Metropolitan Buildings shall not be required to give Effect to the same; and the Assent of the said Registrar shall not render valid any Act, Certificate, Award, Order, or Determination done, signed, or made by One only of the said Official Referees which would not be valid without such Assent.

Two Official Referees may act.

III. And be it enacted, That, notwithstanding any thing in the said recited Act to the contrary contained, it shall be lawful for One of Her Majesty's Principal Secretaries of State, if and so long only as he shall think proper, by any Writing under his Hand, to permit and authorize any One or more of the Persons who for the Time being may hold the Office of Official Referee to act as Surveyor, either alone or with any Partner, or by an Agent; and no Person shall be ineligible or disqualified from holding the Office of Official Referee by reason of his continuing to act as a Surveyor with such Permission as aforesaid, or by reason of his being or becoming Commissioner, Receiver, Steward, or Agent for or on behalf of any Owner of Houses or Land within the Limits of the said recited Act, provided the Fact of such Person being or becoming such Commissioner, Receiver, Steward, or Agent be notified to One of Her Majesty's Principal Secretaries of State, and licensed by him in Writing, before such Person be appointed

appointed or continue to act as Official Referee; but it shall not be lawful for any Person holding the said Office to act as Official Referee in the Case of any Building or Matter in which he shall be employed as Architect or Surveyor, or where he shall be the Commissioner, Receiver, Steward, or Agent of any Person interested in such Building or Matter; and if it shall happen that more than One of the said Official Referees shall be employed as Architect or Surveyor as to the same Building or Matter, or shall be the Commissioner, Receiver, Steward, or Agent of any Person interested therein, or if any Disagreement or Difference of Opinion shall arise between any Two Official Referees who shall act as to such Building or Matter, not being employed as Architect or Surveyor, or as Commissioner, Receiver, Steward, or Agent of any Person interested therein, it shall be lawful for the Commissioners of Her Majesty's Woods, Forests, Land Revenues, Works, and Buildings, from Time to Time, upon the Report of the Official Referees or any one of them, or upon the Application of any Person interested in the Matter in dispute, to authorize One or more competent Persons, being of the Profession of an Architect or Surveyor, to be Special Referees in respect of such particular Building or Matter, either in conjunction with the acting Official Referee or Referees, or alone, as the Case may require; and every Special Referee authorized by the said Commissioners shall, as to the particular Building or Matter for which he is authorized, have the same Power, Authority, and Duties as if he had been appointed an Official Referee under the Authority and for the general Purposes of the said recited Act; and it shall be lawful for the said Commissioners to assign to every such Special Referee such Part of the Remuneration of the Official Referee or Referees who shall be disqualified as aforesaid from acting as to such particular Building or Matter, or otherwise to remunerate him as the said Commissioners shall think fit.

Special Referees to be appointed in certain Cases.

Offices vacant.

IV. And be it enacted, That if any Official Referee shall act as Surveyor, either alone or with any Partner, or by an Agent, or as Commissioner, Receiver, Steward, or Agent for or on behalf of any Owner of Houses or Land within the Limits of the said recited Act, without the Licence and Consent in Writing of One of Her Majesty's Principal Secretaries of State, or shall continue to act as Surveyor, either alone or with any Partner, or by an Agent, or to act as such Commissioner, Receiver, Steward, or Agent as aforesaid, after such Licence and Consent shall have been withdrawn or shall have expired, then he shall cease to be qualified to hold the Office of Official Referee, and thereupon such Office shall be vacant, without prejudice nevertheless to any Acts done by him in his Capacity of Official Referee so far as other Persons are affected thereby.

Salaries of Official Referees.

V. And be it enacted, That it shall be lawful for Her Majesty from Time to Time to grant such Salaries for the Remuneration of the said Official Referees respectively as Her Majesty shall, as to each of them, be pleased to appoint, not exceeding in the whole for the Three Referees the Sum of Two thousand Pounds *per Annum*.

Contributions to be paid to the Consolidated Fund, and Salaries paid thereout.

VI. 'WHEREAS in certain Cases of Felony the Court is not empowered by Law to award Sentence of Transportation for a less Period than the Term of the Offender's Life or some long Term of Years, or Sentence of Imprisonment for any shorter Term than Two Years; but it is desirable that some such Offenders should suffer Transportation or Imprisonment for a shorter Period respectively, at the Discretion of the Court before which they are convicted:' Now be it enacted by the Queen's most Excellent

Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, That in all Cases where the Court is now by Law empowered or required to award a Sentence of Transportation exceeding Seven Years it shall be lawful for such Court, at its Discretion, to award a Sentence of Transportation for a Term of Years not less than Seven Years, or to award such Sentence of Imprisonment for any Period not exceeding Two Years, with or without hard Labour, as shall to the Court in its Discretion appear just under all the Circumstances.

Power of Criminal Courts as to Terms of Transportation and Imprisonment.

II. 'And whereas it is now required by Law that no Indictment shall be presented before the Grand 'Jury of the Central Criminal Court for certain Offences unless the Party prosecuting shall have first 'entered into Recognizances to prosecute;' be it enacted, That the said Provision be and the same is hereby repealed; and that Bills of Indictment may be preferred by any Person before the Grand Jury of the said Court for any Offence alleged to be committed within the Jurisdiction of the said Court in the same Manner as may be done before any other Grand Jury.

Repeal of 4 & 5 W. 4. c. 36. § 13.

Before what Court Indictments may be preferred.

CAP. XXXIX.

An Act to enable the Commissioners of Her Majesty's Woods to construct an Embankment and Roadway on the North Shore of the River *Thames* from *Battersea Bridge* to *Vauxhall Bridge*, and to build a Suspension Bridge over the said River at or near *Chelsea Hospital*, with suitable Approaches thereto, including a Street from *Lower Sloan Street* to the Northern Extremity of the Bridge. [3d *August* 1846.]

'WHEREAS the Commissioners appointed by Her Majesty to inquire into and consider the most effectual Means of improving the Metropolis, and of providing increased Facilities of Communication between the same, by their Second Report, dated the Seventh Day of *May* One thousand eight hundred and forty-five, (and which has been laid before both Houses of Parliament by Command of Her Majesty,) recommended to Her Majesty's favourable Consideration the Construction of an Embankment and public Road between *Battersea* and *Vauxhall* Bridges, upon the Basis of a Plan and Estimates therein contained or referred to: And whereas by their Fifth Report, dated the Twenty-third Day of *July* One thousand eight hundred and forty-five, and also laid before both Houses of Parliament by Command of Her Majesty, the said Commissioners recommended (amongst other things) to Her Majesty's favourable Consideration the Construction of a Suspension Bridge across the River *Thames* between *Battersea* and *Vauxhall* Bridges, from a Point near *Chelsea Hospital* on the North Side

'Side to a Point near the Public House called the *Red House*, on the South Side: And whereas it is 'proposed, in accordance with the aforesaid Recommendations, that the Commissioners of Her Majesty's 'Woods, Forests, Land Revenues, Works, and Buildings shall be empowered to construct such Embank- 'ment and Roadway and Suspension Bridge as aforesaid, and also, in order to open a more complete 'Communication with and to the said Roadway and Bridge, to open a new Street from the South End 'of *Lower Sloane Street* to a Point in the said intended Roadway at or near the Northern Extremity 'of the said intended Bridge, as recommended in the said Second Report: And whereas the Recommen- 'dations aforesaid were made by the said Commissioners on the Understanding that the whole Cost of 'constructing such proposed Embankment and Roadway was not to fall ultimately upon the Public, but 'that a certain Proportion of such Cost should be contributed (either in Money, or by conveying the 'Land required free of Expence, or by constructing the same Embankment and Roadway, or Parts 'thereof, at prime Cost, or otherwise,) by certain of the Owners of or Parties interested in the Tene- 'ments situated on the River Frontage along which the said intended Embankment and Roadway were 'to pass, in consideration of the Benefit which would accrue therefrom to their said respective Tene- 'ments; and certain of such Parties are willing to contribute accordingly in some of the Modes herein- 'before mentioned; and it is intended that they shall respectively enter into Agreements with the 'Commissioners of Her Majesty's Woods, Forests, Land Revenues, Works, and Buildings to make such 'Contribution accordingly in such Sums or otherwise as the Lord High Treasurer or the Commissioners 'for executing the Office of Lord High Treasurer shall approve of, and shall think proper and sufficient, 'and that no Part of the said intended Embankment and Roadway shall be commenced until after all 'such Agreements as aforesaid, so approved of as aforesaid, shall have been duly executed; but inasmuch 'as it is proposed that the whole Cost of the Construction of the said Embankment and Roadway shall 'in the first instance be borne by the Public, and that the Sums of Money to be contributed as aforesaid 'shall not be payable until after the Completion of the same, it is expedient that the necessary Powers 'for constructing the same should be conferred forthwith, subject nevertheless to the due Execution of 'such Agreements as aforesaid: And whereas the Reverend *Joseph George Brett* Clerk hath proposed 'and agreed to give such Part of his Land as shall be necessary to form the said intended new Street 'without any valuable Consideration: And whereas the Commissioners of Her Majesty's Woods, Forests, 'Land Revenues, Works, and Buildings have caused Surveys, Plans, and Designs to be made of the 'said intended Embankment, Roadway, and Street, and of the said intended Bridge and the Approaches 'thereto, in accordance with the Recommendations contained in the said Reports, and such Surveys, 'Plans, and Designs have been submitted to the Commissioners of Her Majesty's Treasury, and have 'been approved of by them: And whereas the Queen's most Excellent Majesty in right of Her Crown 'claims to be seised of the Ground or Soil and Bed of the River *Thames* and the Shores thereof, so far 'as the Tide flows and reflows in the same River, and the Mayor, Commonalty, and Citizens of the City 'of *London* are Conservators of the same River, and claim also to be entitled to so much of the Ground 'and Soil and Bed of the said River and the Shores thereof as lie within the Limits and Bounds of their 'Jurisdiction as Conservators, and a Suit has been instituted by Her Majesty's Attorney General, on 'behalf of Her Majesty, against the said Mayor, Commonalty, and Citizens, for the Purpose of ascer- 'taining and determining the Rights of Her Majesty and of the said Mayor, Commonalty, and Citizens 'respectively, and such Suit is still pending: And whereas the Plans of the said Bridge and Embank- 'ment have, without Prejudice to the Right and Title of the Crown, been submitted to and received the 'Approval of the Lord Mayor of the City of *London*, the Conservator of the said River *Thames*: And 'whereas it is expedient that the several Objects herein-before mentioned should be carried out; and the 'same cannot be fully carried out without the Authority of Parliament:' May it therefore please Your Majesty that it may be enacted; and be it enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, That the Commissioners of Her Majesty's Woods, Forests, Land Revenues, Works, and Buildings for the Time being shall be and they are hereby constituted a Corporation, by the Name and Style of "The Commissioners of Her Majesty's Woods, Forests, Land Revenues, Works, and Buildings," in order to enable them to execute and carry into effect the several Powers and Purposes of this Act, and by that Name, for the Purposes of this Act, shall have perpetual Succession, and use a Common Seal, to be by them from Time to Time altered as they shall think fit, and shall and may sue and be sued, implead and be impleaded, and take Lands and Hereditaments to them and their Successors for ever, for the Purposes of this Act.

Commissioners of Woods, &c. constituted a Corporation, that they may be enabled to carry into effect the Powers of this Act.

II. And be it enacted, That it shall and may be lawful for the Lord High Treasurer or the Commissioners for executing the Office of Lord High Treasurer of the United Kingdom of *Great Britain* and *Ireland*, or any Three or more of them, and they are hereby empowered, for the Purposes of this Act, by Warrant under their or his Hands or Hand, from Time to Time to authorize the Commissioners for issuing Exchequer Bills for Public Works acting in execution of an Act passed in the Fifty-seventh Year of the Reign of King *George* the Third, and of several subsequent Acts for amending and extending the same, to advance and lend to the Commissioners for executing this Act any Sum or Sums of Money in Exchequer Bills, not exceeding in the whole the Sum of One hundred and twenty thousand Pounds; and the Repayment of all Sums to be so from Time to Time advanced and lent as aforesaid, with Interest from the Time or respective Times of advancing the same, not exceeding the Rate of Four Pounds *per Centum per Annum*, shall be secured by an Assignment to the said Commissioners for issuing

Commissioners for issuing Exchequer Bills for Public Works authorized to advance Money for the Purposes of this Act.

Sums advanced to be repaid with Interest

issuing Exchequer Bills of the Tolls of the Bridge and other Tolls herein-after authorized to be taken, and of the Monies to be received for Contributions under the aforesaid Agreements, and all other Monies to be received under the Authority of this Act, or by an Assignment of such Parts thereof, or secured in such other Manner as the Lord High Treasurer or Commissioners for the Time being of Her Majesty's Treasury, or any Three or more of them, shall direct; and the Commissioners for executing this Act are hereby authorized and empowered to assign the said Tolls, Contributions, and other Monies aforesaid by way of Security accordingly.

Monies secured on the Tolls, &c.

III. XIV. And be it enacted, That all the Expences of the altered Apportionment last aforesaid shall be borne by the Owners of the Lands to which such altered Apportionment shall relate, and shall be recovered in the same Manner as Expences chargeable on the same Owners in or about the making of an original Apportionment of the Sum of the Rent-charges charged on the same Lands respectively would have been recoverable; and all the Provisions of the said Acts in relation to such of the Expences of or incident to making an Apportionment of a Rent-charge as are payable by the Owners of the Land included therein shall extend and be applicable to the Expences of such altered Apportionment.

Supplemental Apportionment of a Rent-charge as made payable to one Owner in respect of Tithes belonging to

XV. And be it enacted, That where by any Agreement or Award made under the Provisions of the said Acts a Rent-charge has been or shall have been agreed or awarded to be paid to any Person in lieu of any Tithes, and after the Apportionment of such Rent-charge shall have been made and confirmed under the Provisions of the said Acts it shall appear that some Tithes included in the aggregate Tithes in lieu of which such Rent-charge shall have been so agreed or awarded to be paid, or some Portion or undivided Share of some Tithes so included, were or was at the Time of such Agreement or Award the Property

several Owners or held in separate Rights.

Property of some Person other than the Person to whom the same Rent-charge was so agreed or awarded to be paid, or that the whole of the Tithes included in the aggregate in respect of which such Rent-charge was agreed or awarded to be paid were not held by the Person to whom such Rent-charge was so agreed or awarded to be paid in the same Right and for the same Estate, or were not subject after the Determination of the Estate of such Person to the same Limitations or Estates legal and equitable, it shall be lawful for the Commissioners in any of the Cases aforesaid, in pursuance of or in accordance with the Decree or Direction of a Court of Equity of competent Jurisdiction, or on the Request in Writing of the Parties who for the Time being in case there had been no Commutation would have been the Owners of all the Tithes included in such aggregate, to make or confirm a supplemental Award or Apportionment of such Rent-charge in such Manner that, without altering the aggregate Amount of Rent-charge to which any Owner of Land may be subject, separate Rent-charges or separate Portions of Rent-charge may be made payable to the Parties who would have been Owners of the Tithes in case they had not been extinguished in lieu of the several Tithes or Portions of Tithe included in such aggregate which would belong to different Persons, or be held in different Rights, or be subject to different Limitations or Estates; and by such supplemental Award and Apportionment the Commissioners, if they shall so think fit, may apportion or award to be paid to one of the respective Owners, or to the Owner in lieu of one of his respective Rights, the whole of any Rent-charges payable under the original Instrument of Apportionment out of specific Lands, instead of dividing each Rent-charge made payable in lieu of the aggregate of the Tithes of each Parcel of Land between or among the Owners of the separate Tithes arising out of such Parcel; and such supplemental Award and Apportionment, when confirmed by the Commissioners under their Hands and Seal, shall take effect from the half-yearly Day of Payment which shall happen next after the Confirmation thereof.

Commissioners empowered to declare that Lands to which Doubts have arisen, shall be considered a separate District for Commutation, and the Residue of the Parish to remain subject to the original Award.

XVI. And be it enacted, That where by any confirmed Agreement or Award a Rent-charge shall have been agreed or awarded to be paid instead of the Tithes of any Parish, or of any of such Tithes, and before the Apportionment of such Rent-charge shall have been confirmed, it shall appear to the Commissioners that by reason of any Question or Doubt which after the Confirmation of such Agreement or Award shall be raised or shall exist in respect of any actual or supposed Exemption from Tithes, Modus, Composition real, or prescriptive or customary Payment, applicable only to a Part of the Lands in such Parish, or by reason of any other Question or Doubt whatsoever applicable only to a Part of the Lands in such Parish, or by reason of any Question or Doubt touching the Boundaries of such Parish, it cannot be immediately ascertained whether the Agreement or Award might require any and what Rectification in respect of the Matters to which such Question or Doubt shall relate, it shall be lawful for the Commissioners by a separate Award by way of Supplement to the Agreement or Award to declare that the Lands to which such Doubt or Question shall be applicable shall be considered a separate District for the Commutation of the Tithes thereof, and that the Residue of the Parish, or the Parish exclusively of the Lands to which the Question or Doubt touching Boundaries may be applicable, shall remain subject to the Agreement or original Award with such Variation as in the Award by way of Supplement shall be directed; and the Commissioners, in case they shall find that in estimating or fixing the Amount of the Rent-charge so agreed or awarded to be paid any Sum was included or added in respect of the Lands which they shall have directed to be considered a separate District, shall declare what Sum was so added, and shall direct the Residue of the Rent-charge, after deducting such Sum, to be apportioned on the Lands composing the Residue of the Parish, or on the Parish exclusively of the Lands which they shall have formed into a separate District; but if they shall find that by reason of Exemption or supposed Exemption or otherwise no Sum was so included or added in respect of the Lands which they shall have formed into a separate District, they shall direct the whole of such Rent-charge to be apportioned on the Lands comprising the Residue of the Parish, or on the Parish exclusively of the Lands which they shall have formed into a separate District; and all Awards by way of Supplement under this Section shall be subject to the Provisions of the said Act of the Session of Parliament holden in the Second and Third Years of the Reign of Her Majesty, concerning the separate Awards by way of Supplement to a parochial Agreement or Award.

Place of Deposit of Copy of confirmed Apportionment may be altered by Quarter Sessions.

XVII. And be it enacted, That where the Place of Deposit of the Copy of a confirmed Instrument of Apportionment which by the said Act of the Session of Parliament holden in the Sixth and Seventh Years of the Reign of King *William* the Fourth is directed to be deposited with the Incumbent and Church or Chapel Wardens for the Time being, or such other fit Person as the Commissioners shall approve, shall be alleged to be inconvenient to the Majority of the Persons interested therein, or otherwise inconvenient or unsafe, it shall be lawful for any Person interested in the Lands or Rent-charge to which such Apportionment shall relate to apply to the Court of General Quarter Sessions of the Peace for the County, Riding, Division, or Place in which such Place of Deposit shall be situate for an Order for the Deposit of such Copy in some more convenient or secure Custody or Place, and Fourteen Days Notice in Writing of every such Application shall be given to the Persons in whose Custody such Copy shall at the Time of such Application be deposited; and it shall be lawful for the Court at the Quarter Session for which such Notice shall be given to hear and determine such Application in a summary Way, or they may, if they think fit, adjourn it to the following Session; and upon the hearing of such Application, the Court may, if they think fit, order such Copy to be removed from the Custody of the Persons with whom the same shall have been deposited, and to be deposited with such other Persons or in such other Custody as the Court having reference to the Security and due Preservation of such Copy, and to the

the Convenience of the Parties interested therein, may think fit, and may make such Order concerning the Notice to be given of such Removal and Deposit, and concerning the Costs of such Application, or of any Opposition thereto, as they may think reasonable.

Tithes or Rent-charge in lieu thereof may be merged after Agreement or Award, but before Apportionment.

XVIII. the other of the said Purposes, as to the said Committee may seem best, such Committee shall be deemed to have been legally appointed under the said Act, and duly empowered to carry into effect the Purpose for which it has been or may be so appointed; and in any Case in which the Occasion for the Appointment of a Committee for any of the Purposes aforesaid now exists or shall hereafter arise, public Notice of the Intention to appoint the same shall be given in the Manner prescribed by the said Act, on or before the General Quarter Session of the Peace to be holden for such County or Borough next after the passing of this Act, or next after the Occasion for the Appointment thereof shall have arisen, as the Case may be: Provided nevertheless, that Notice at any subsequent General Quarter Session of the Peace for such County or Borough of the Intention to appoint any such Committee, and the Appointment of a Committee in pursuance thereof, shall be valid.

Powers of Committees may be enlarged by Justices.

III. And be it enacted, That when any Committee hath been or shall hereafter be appointed for one of the aforesaid Purposes only, it shall be lawful for the Justices, if they shall think fit, at any General Quarter Session of the Peace after the like public Notice as is required in the Case of the first Appointment of the Committee, to enlarge the Powers of the Committee, so as to authorize the Committee to effect the one or the other of such Purposes, as to the said Committee may seem best, and, if necessary, under the Provisions of the said Act, to appoint additional Members of the said Committee; and every such Committee shall be deemed to have been legally appointed under the said Act, and duly authorized to carry into effect the one or the other of the said Purposes, as to the said Committee may seem best.

Until Committees of Visitors shall be appointed for any County, &c., the Committee appointed for providing an Asylum shall act as such.

IV. And be it enacted, That until a Committee of Visitors shall, under the Provisions of the said Act or of this Act, be appointed on behalf of any County or Borough, Counties or Boroughs, the Committee appointed or hereafter to be appointed, either for superintending the erecting or providing, or for treating and entering into an Agreement for erecting or providing an Asylum, or for effecting the one or the other of those Purposes, as to the said Committee may seem best, shall have, on behalf of the County or Borough by which such Committee shall have been appointed, all the Powers, as well of contracting with the Proprietors of any House licensed for the Reception of Lunatics, as otherwise, of a Committee of Visitors appointed under the said Act, save that a Committee for the Purpose only of treating and entering into an Agreement as aforesaid shall not have Power to take Measures towards erecting or providing a Lunatic Asylum for the sole Use of the County or Borough for which it shall have been appointed.

Committee of Visitors to be appointed by Justices and Subscribers to Lunatic Asylums.

V. And be it enacted, That whenever any Agreement shall have been entered into, signed, and reported, as in the said Act is mentioned, the Justices of every County to which such Agreement shall relate, assembled at the General or Quarter Sessions to which such Report shall be made, and the Justices of every Borough to which such Agreement shall relate, shall, at a Special Meeting to be held within Twenty Days after such Agreement shall have been reported as aforesaid, and the Subscribers of every Lunatic Asylum to which such Agreement shall relate, or the Majority of such Subscribers, present at a Meeting to be holden within Twenty-eight Days after the signing of such Agreement, and of which Notice shall have been given by public Advertisement in some Newspaper circulated within the Place in which such Lunatic Asylum shall be situated, shall appoint a Committee of Visitors, in the same Manner and under the Regulations and with the Powers mentioned in the said Act in respect of a Committee of Visitors appointed for the like Purpose at the Times mentioned in the said Act, and all the Provisions in the said Act relating to Committees of Visitors shall apply to the said Committee, as far as the same may be applicable.

Further Provision for the temporary Care of Pauper Lunatics.

VI. 'And whereas certain Powers are given by the said Act to every Committee of Visitors to contract 'for certain Purposes, for a limited Time and under certain Restrictions, with the Proprietors of any 'House licensed for the Reception of Lunatics: And whereas it is expedient to enable further Provision 'to be made for the temporary Care of Pauper Lunatics:' be it enacted, That it shall be lawful for any Committee of Visitors to make Provision, either in manner mentioned in the said Act or otherwise, for the temporary Care of Pauper Lunatics, subject to the Approval, Restrictions, Limitations, and Provisoes mentioned in the said Act with respect to such Contracts as aforesaid, in as far as such Limitations and Restrictions and Provisoes are applicable to any Provision other than a Contract with the Proprietor of a House licensed as aforesaid, and the Expences of making such Provision shall be paid out of the same Monies or Funds and in the same Manner as is provided in the said Act in the Case of Contracts with such Proprietors as aforesaid; and it shall be lawful for the Guardians and Overseers of any Union or Parish, with the Consent of the Poor Law Commissioners for *England* and *Wales*, to contract with any such Committee of Visitors for the Use and Occupation of all or any Part of a Workhouse as a temporary Asylum for Pauper Lunatics; and during such temporary Occupation such Workhouse, or the Part of it so occupied, shall be subject to the same Law as a Workhouse taken for the Reception of Pauper chronic Lunatics under the Provisions of the said Act.

Separate Committees to be appointed for every such Asylum.

VII. 'And whereas by the said Act Provision is made that in certain Cases therein specified more than 'One Asylum shall be erected or provided in a County or Borough, and it hath been doubted whether a 'separate Committee of Justices should be appointed in reference to every such Asylum;' be it declared and enacted, That the true Intent and Meaning of the said Act is, that a separate Committee of Justices be appointed in every such County or Borough for every such Asylum, each of which Committees shall have all the Powers and be subject to all the Provisions of the said Act with regard to the Asylum for which it is appointed, as if it were the only Asylum for that County or Borough: Provided always, that it shall be lawful for the Justices of the County or Borough, if they shall think fit, with the Approval of One of Her Majesty's Principal Secretaries of State, to appoint the same Committee for Two or more such Asylums.
